From Kachy

— Kachy Paula Nwobi

What's next.

A few thoughts before you shop.

01 — Review without pressure

This is a direction, not a checklist. Take your time. Start with the anchor pieces and let the rest follow naturally.

02 — Shop what you love first

Every piece links to a specific retailer. Prioritise the blazer, the trouser, and the slip dress — they carry the rest of the guide.

03 — Questions are welcome

Sizing, fit, alternatives — email knwobi@aurabypaula.com within 30 days. This guide is a conversation, not a one-way delivery.

04 — Consider The Full Aura

A complete closet audit followed by a guide like this one — in person or virtual. Book at aurabypaula.com/styling.
